

GoFundMe Donation and Dispersement

Month of Summary

February, 2017

Total Gross Estimate for Funding

\$45,800.00

Summary:

The purpose of this Go-Fund Me is to achieve the goal of opening the Six Star Meat and Poultry processing/butcher facility. We began the Go-Fund Me to assist with the total cost of the build. So far we are very short on our goal, which will delay this project until after Pessach. Please spread the word as this project is vital to the growth and development of a permanent food supply system for the Karaite Jewish Community in the United States.

Financial Summary:

The purpose of the financial summary is to give donors an overview of the total needs and expenditures of Six Star Meat and Poultry. Some of the amounts will come after the facility is up and running and are therefore not immediate needs.

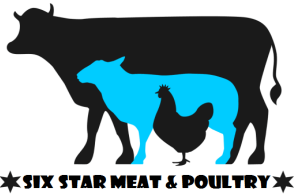

Total Funding Estimate:	\$45,800.00	Total Donations:	\$4,051.00
Deficit/Surplus	(\$41,749.00)	% of Estimate Raised:	8.84%

Grow-out Farm	\$11,300.00

2/24/2017	Private (Florida)	Grow-out Farm	\$650.00
3/8/2017	HOH, Florida	Pessach Slaughter	\$1,001.00

Closing Statement

Date of Statement	Statement
Friday, March 10, 2017	<p><i>At this point we are in the process of beginning slaughter operations for Pessach 2017. In the month of February we were quite busy. The overall operation has expanded to include the acquisition of 5 sheep (4 ewes and 1 ram) for the purpose of building a grow-out operation. The breed of these sheep are Barbados Blackbelly and are of age to begin lambing. This will assist us in having "on-farm" raised sheep going forward. We are also in the process of acquiring chickens to begin poultry breeding. This will expand our product line. The grow-out animals purchased were not paid for using donated funds. These animals were purchased by Travis Wheeler from personal funds.</i></p>
